

Friday 17th November

On Friday 17th November, teachers will be focusing on enhancing the learning of all students during our curriculum development day.

Students taking NCEA exams will attend as usual. Some teachers may also make plans with specific students as part of their examination preparation or to support their learning – **all other students will remain at home on this day to prepare for their examinations.**

School will resume as usual on Monday 20th November.

Monday 20th and Tuesday 21st November – Junior Examinations

AFTERNOON (1.00 PM – 3.00 PM)	Year 9 Science (9SCI)	Year 9 Maths (9MAT)
	Year 10 English (10ENG)	Year 10 Science (10SCI)

Enrolments

Please hand enrolments for year 8s to admin as soon as possible so that we can arrange to meet with you and your child at one of our enrolment evenings in November to support their transition to secondary school.

Study Leave and Support Pathways

Many of our year 11-13 students are now preparing for, and taking, their NCEA examinations. This flexible time allows students to maximise their learning during this important period, whether it be at home or with the guidance of one of their teachers. A reminder that any student on the school grounds must be wearing full school uniform and they should be in class at all times. It is expected that students who are not working with a teacher will use this valuable time to prepare independently at home. The school day remains unchanged for Year 9 and 10 students.

(Unwanted?) Uniform

If your child is leaving MRGS after exams could we please ask you to consider donating (all or some of) their uniform for those who need support in providing a uniform for their child. Uniform donations to Jules in the front office gratefully received. Thank you in advance for continuing to support our MRGS community.

Junior Prize Giving

Save the date. Friday 8th December 9.30am in the Butler Hall. We look forward to celebrating the successes of our next generation of MRGS students.

Checking NCEA results on the KAMAR portal

In encouraging student agency around their NCEA results, we are urging senior students to check the KAMAR portal to see that all NCEA results have been entered and are correct. It would be great if parents/caregivers could work with students in checking these results through the portal. If you find that any results are missing or are feel that the grade is incorrect, if students/parents could contact the classroom teacher in the first instance. To log into the kamar portal, please go to <http://kamarportal.mrgs.school.nz/student/index.php> Then enter in your username and password. If you have forgotten this, please contact the front office here at school.

Trades Academy 2018

Courses include:

Automotive

Building and Plumbing

Building and Electrical

Early Childhood Education

Engineering and Computer Aided Design

Engineering and Refrigeration Air Conditioning

Hospitality

Logistics

Primary Industries

Refinishing

Tourism, Retail and Business Administration

Trades for Girls

This will be our fourth year working in partnership with MIT. Spend one day a week out at MIT getting hands on experience.

Transport is provided. Equipment and gear is provided. Come and see Mr Fa'amausili in RmH4 if you want to sign up or find out more.
