PFA Showcase / Year 13 Production

In the last two weeks, we have been treated to two fabulous events from the performing arts students. In the first our year 13 performed 'noughts and crosses'. This very thought provoking piece was performed with skill, understanding and maturity to packed houses for all three shows. This week our Year 10 - 13 performing arts students hosted a showcase that highlighted the passion, confidence and pride for their growing craft. Keep tuned for more exciting events throughout the year.
